**STATEMENT OF THE SUBSTANCE OF APPLICANT INITIATED INTERVIEW IN  
ACCORDANCE WITH C.F.R. § 1.133(b)**

Summarized below is the substance of a telephone interview between Examiner Kielin, and a representative of the Applicant, Ms. Liz Schumacher, held on July 27, 2004.

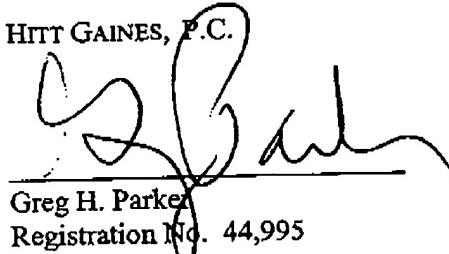

In the telephone interview, Examiner Kielin and Ms. Schumacher discussed that an RCE was filed on February 5, 2004, with the USPTO as indicated by a February 9, 2004, stamped receipt from the USPTO. The Patent Application Information Retrieval (PAIR) system, however, did not reflect

receipt of the RCE. Accordingly, Examiner Kielin advised Ms. Schumacher to fax a copy of the RCE and the stamped postcard to the USPTO official fax number and to his designated fax number to insure the RCE was made of record. The documents were faxed to the USPTO and to Examiner Kielin on July 27, 2004.

The Applicants request the Examiner to telephone the undersigned attorney of record at (972) 480-8800 if such would further or expedite the prosecution of the present application.

Respectfully submitted,
